

Florida Transit Safety and Operations Network FTSON

Vision and Mission
Alignment

We are all together now.....

**Florida Transit
Safety and
Operations
Network
(FTSON)**

Program Objectives

- ✓ Transit operations and safety issues
- ✓ Statewide efficiencies and effectiveness.
- ✓ Bridge industry functional networks (e.g. FTA's Transit Asset Management)
- ✓ Being a resource to FDOT
- ✓ Input for proposed modifications to Rule Chapter 14-90
- ✓ Respond to FTA transit safety program requirements
- ✓ Identifying transit safety and operational training needs.
