How to Register
All registrations must be made through the Florida Department of Transportation’s Office of Freight, Logistics and Passengers Operations Transportation Learning Management System. This online registration and learning management system (LMS) provides Florida’s public transportation professional a portal to manage their professional development.

Transportation Learning manages training for you by keeping an educational transcript of all new courses that you complete, and a retrievable record is maintained so you may access (with a user id and password) Certificates of Completion, Certificates of Participation, retrieve course materials, etc.

Florida’s public transportation professionals may set up a unique user id and password to register online for upcoming transit training courses, including e-learning courses. Follow the instructions below to log-in or to register for the training course.

Go to: www.transportationlearning.org
