Overview:

This instructor-led course provides a standardized training program that can be used by any transit service provider to train qualified, professional bus/paratransit operators. Instructors are trained in presentation and creative learning techniques, facilitation methods, and adult learning principles for teaching operator skills in vehicle operation, emergency management, and customer relations.

Course participants will receive TSI course materials for Vehicle Operations, Emergency Management, and Customer Relations, plus road training guidelines. Upon completion of this course, instructors are qualified to train bus and paratransit operators by the US Department of Transportation.

NOTE: A classroom version of the **Curbing Transit Employee Distracted Driving** and the **Fatigue and Sleep Apnea Awareness for Transit Employees** seminars will also be presented.

Who Should Attend:

Driver Trainers, Safety Managers, Safety Supervisors, Bus/paratransit Operator Trainers, Training Managers.

NOTE: This course replaces and combines the Instructors Course in Bus Operator Training, Instructors Course in Paratransit Operator Training and the 1-day Bus/Paratransit Operator Trainer courses into one course.

Fees:

There are no fees to attend this course for current employees of a Florida public transit agency and who meet criteria identified in the [Transit Training Policies and Procedures](#). All participants must have permission from their transit system's operations manager to attend this course. Upon acceptance of registration, participants will receive a logistical confirmation via email.

USF is an Equal Opportunity/Equal Access Institution. For disability accommodations, please contact Molly Buffington at buffington@usf.edu a minimum of ten (10) working days in advance to the training session.

Travel Reimbursement:

There is no travel reimbursement available for this training course. All travel related expenses are that of the traveler or their agency.

How to Register

All registrations must be made through the Florida Department of Transportation's Office of Freight, Logistics and Passengers Operations Transportation Learning Management System. This online registration and learning management system (LMS) provides Florida's public transportation professional a portal to manage their professional development.

Transportation Learning manages training for you by keeping an educational transcript of all new courses that you complete, and a retrievable record is maintained so you may access (with a user id and password) Certificates of Completion, Certificates of Participation, retrieve course materials, etc.

Florida's public transportation professionals may set up a unique user id and password to register online for upcoming transit training courses, including e-learning courses. Follow the instructions below to log-in or to register for the training course.

Go to: www.transportationlearning.org
